About the Programme

The Faculty Development Program (FDP) is a structured initiative aimed at enhancing the teaching, research, and professional capabilities of faculty members, research scholars & post graduate students especially in higher education institutions. These programs are essential for keeping them up to date with the latest advancements in pedagogy, technology, research methodologies in the concerned areas. Faculty Development Program aims to enhance the research capabilities, technology upgradation & latest emerging trends in different domains of Data Science and Business Analytics of faculty members by equipping them with the appropriate tools and techniques. The FDP will cover from the fundamentals to core concepts as well as the effective applications of the concerned subjects.

About the Institute

A premier management institute established in 1979, IIBM Patna stands as a beacon of educational excellence, shaping future leaders in Management, Computer Sciences, and IT. As the institute approaches 50 years of academic distinction, our commitment for providing unparalleled education, training, and research which remains stronger than ever. A 47-year-old institution recognized by AICTE, Ministry of Education, New Delhi, and affiliated with Aryabhatta Knowledge University, IIBM Patna continues to set new benchmarks in higher education. The Institute is credited with becoming the 1st ranked institution in Bihar & 3rd ranked institution in Eastern India for Bachelor's in Business Administration (BBA) education by the Times of India as well as having the credit of best "B" School of the Eastern region by ASSOCHAM & placed in "A" Grade in Indian Management and Business Chronicle magazines in the past.

The IIBM Patna don't just provide education but rather shape destiny & invite students to make their dream education a reality.

IIBM Patna fully understands the demand for skill-based education & resources for which the curriculum is tailored to provide practical knowledge & industry orientation for empowering students with future job opportunities.
